EXPERIENCE

Survivor UNCW (TV Club Production)

Director of film / Lead Editor

August 2024 – May 2026

- Led weekly editing and post-production of episodes using Adobe Premiere Pro, collaborating with a small team to ensure narrative flow, audience engagement, and timely YouTube uploads.
- Oversaw filming of challenges and tribal councils, coordinating unique setups, managing production schedules, and ensuring consistent footage delivery.
- Organized and categorized raw footage (confessionals, challenges, councils) for efficient editing, and troubleshoot technical issues to maintain high-quality output.
- Led the construction of challenge sets as well as transporting film equipment and contestants/students to the film location outside the school
- Brainstormed shoot ideas and set up challenge props, managed a limited equipment budget, and handled final deliverables including graphics, thumbnails, and video descriptions.

Moonshiners Master Distiller Season 5

Production Assistant for Discovery Channel

June-July 2024

- Assisted with set-up and breakdown, ensuring smooth transitions in and out of locations, including a distillery, while prioritizing cast and crew safety and comfort in challenging conditions.
- Collaborated with Production Assistants to maintain organization on set and restock craft services throughout the day.
- Served as a liaison between departments, coordinating equipment transport, cast transportation and interdepartmental communication, high-temperature environments.

DeadCat Microcinemas Collective

Programmer

December 2025 – May 2025

- Edited custom bumpers for screenings and assisted with video projection setup, including lights, sound, and screens.
- Scheduled and coordinated film screenings across Wilmington, collaborating with local filmmakers and community venues.
- Managed the group's Instagram account, creating promotional content and sharing updates to boost audience engagement.

Cinespace Studios, Wilmington N.C

Lighting and Grip Shop Intern

August 2025 – December 2025

- Assisted with maintaining, organizing, and preparing lighting and grip equipment for film and television productions
- Gained hands-on experience working with a wide range of industry-standard lighting and grip gear, including stands, modifiers, rigging equipment, power distribution, and on-set support tools
- Collaborated with a small crew in a heavy lifting production environment while developing practical knowledge of set operations, equipment handling, as well as safety and studio workflow
